

January Song and Poem

It's January

January is the first month of the year.(clap, clap)
At the stroke of midnight everyone will cheer!(clap, clap)
Oh the weather's very cold.
Hello new year, goodbye old!
January is the first month of the year. (clap, clap)

A Chubby Little Snowman

A chubby little snowman
Had a carrot nose.
Along came a rabbit
And what do you suppose?
That hungry little bunny
Looking for his lunch,
ATE the snowman's carrot nose.
Nibble, nibble, CRUNCH!
